EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 106, second line, delete the "(" mark, so that claim 106 will be consistent with claim 131.

Cancel non-elected claims 148-156.

Allowable Subject Matter

2. Claims 79-113, 127-28, 130-137, 144-147, and 157-162 are allowed over the prior art of record.

3. The following is an examiner's statement of reasons for allowance:

Battilani (7,025,582) teaches a molding apparatus, comprising a carousel (1) with a supporting drum (2), a plurality of molding units including upper punch (3) and lower mold (4), a dose delivering head (6) for depositing the plastic dose (D) in the mold cavity, two pairs of levers (18-21) pivoted on diametrically opposite sides of the mold (4) by means of threaded pivots (22-25) that allow oscillation of the levers, wherein top of the levers are connected by two mutually parallel rods (26, 27) that are positioned above and outside of the mold cavity (5) when the punch and the mold are in a closed position.

Art Unit: 1791

However, Battilani fails to disclose that the punches being kept at a height which is not greater than the height of the cavity mold along the traveling path in order to reduce the time period in which the does remains in contact with the mold surfaces before pressing; or that the support member is hollow and made of porous material; or that a cam arrangement having a second position for driving the supporting rods in a dose-pinching position in which the does is pinched between the supporting rods.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to THU KHANH T. NGUYEN whose telephone number is (571) 272-1136. The examiner can normally be reached on 6:30am-4:00pm.
